## EDUCATION

### University of Minnesota – Twin Cities

*Bachelor of Science in Computer Science*

Minneapolis, MN

*Expected May 2028*

- Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Discrete Mathematics

## EXPERIENCE

### Estate Bureau, Inc

*Live Auction Sales & Operations*

Saint Paul, MN

*Apr. 2025 – Present*

- Facilitate the sale of ~6,000 items monthly by applying user experience principles to live presentation design, driving competitive bidding and engagement
- Redesigned wheel format by optimizing item and chaser distribution, increasing average per-show revenue by roughly 40%
- Maintain a 4.9-star seller rating through data-driven quality control, accurate product representation, and fast fulfillment
- Co-developed and deployed a process-optimized inventory management system across multiple accounts, reducing operational errors and improving efficiency

### Split Rock Rocking

*Parking Operations Attendant*

Saint Paul, MN

*Nov. 2024 – Apr. 2025*

- Directed logistics of 50+ vehicles per shift, ensuring safety and efficiency in high-traffic environments
- Delivered professional customer service and managed payments with zero incidents
- Coordinated with team members to streamline vehicle flow during peak hours

### Home Depot

*Cashier*

Eagan, MN

*May. 2023 – Nov. 2024*

- Processed 100+ transactions daily with accuracy using POS and inventory systems
- Assisted customers with purchases, returns, and order issues while maintaining store flow
- Trained new cashiers on POS systems and customer service best practices

## PROJECTS

### Financial Tracker App | *React, Express.js, PostgreSQL*

- Built a budgeting tool to track income/expenses and visualize spending trends with interactive charts
- Implemented secure user authentication and persistent transaction history storage
- Deployed app with a simple CI/CD workflow for ongoing feature updates

### Portfolio Website | *HTML, CSS, JavaScript*

- Developed a personal portfolio website to showcase projects, experience, and technical skills
- Optimized for mobile and desktop, with integrated GitHub and LinkedIn links
- Added interactive project cards with hover effects for a more engaging user experience

## TECHNICAL SKILLS
